NB.

In questa copia del Blasone friulano di R. Marin, fatta eseguire nella 2ª metà dell'ottocento dai preposti della Biblioteca com.le di Udine, allo scopo di tener riservato l'uso del prezioso originale, vennero rapresentati arbitrariamente da mani ignote #23 stemmi in altrettanti scudi lasciati vuoti dell'autore. In taluno di essi venne aggiunto il nome ex novo, in altri venne alterato il nome precedente.

Importanza storica degli stemmi

L'aristocrazia del Blasone vide ai nostri tempi sorgere una potente rivale, l'aristocrazia del Danaro. Un ricco censo, un colmo scrigno, danno ora agli uomini quell'albagia che un tempo traevano dalle turrite castella e dalle armi gentilizie. Quattrocent'anni fa gli uomini più ricchi d'Europa, gli Ebrei venivano dannati alle fiamme o alla forca, e degno di pazzia sarebbe stato giudicato colui il quale avesse preferito una ingente fortuna ad uno scudo bene inquartato derivato dalle Crociate, e ad un luminoso albero genealogico. Ora il tempo delle guerre e dell'onore è giunto quello delle negoziazioni e del lucro.

Gli uomini nuovi giunti a un certo grado di ricchezza tornano volentieri all'antico pregiudizio e si vedono non solo in Alemagna e in Italia, ma anche in Francia e in [illegible] agognare ai titoli cavallereschi e baronali. Vogliono i loro palazzi, le carrozze, le mobilie adorne di simboli araldici di cui non intendono il senso. Figli del negozio e del calcolo ambiscono gli attributi dell'eroismo e della gloria. Così il secolo livellatore rende omaggio, suo malgrado alle distinzioni aristocratiche, e gli emblemi della cavalleria, gli scudi, i colori, sopravvivono alle battaglie, alle giostre, ai tornei.

L'amore delle distinzioni nelle classi inferiori è così naturale che si manifesta in ogni forma di civiltà. È una tendenza che sembra puerile, ma tiene viva l'energia del corpo sociale, [illegible] reclutando le file dell'aristocrazia a misura che questa vassi snervando. È un movimento di ascensione perpetua che porta le classi inferiori alle sommità dell'incivilimento, e che va, a dispetto delle dottrine democratiche e materiali più divulgate, sovvenendo alla decrepitezza del patriziato collo spingere a generosi slanci l'ambizione delle stirpi plebee.

Conviene confessare che gli emblemi araldici abbiano un'importanza radicata nei fondamenti della vita sociale quando si vedono resistere a tante rivoluzioni dello spirito umano e rimanere a galla in mezzo al naufragio delle più antiche istituzioni. [illegible] stemmi [illegible] uno all'altro ramo delle famiglie nate da un medesimo ceppo. Un nome vale un [illegible], e perciò anche [illegible] servono alla storia delle famiglie: gli [illegible] loro sono monumenti [illegible] contratte, delle eredità, degli acquisti. Perchè il Blasone è un simbolo permanente non solo della gloria ereditaria, ma [illegible] dei diritti. Questo simbolo ha una utilità storica, una utilità economica, una utilità morale, e malgrado il disprezzo di molti, sarà sempre in venerazione tra gli uomini finchè si avranno in venerazione l'antichità e l'onore.

[illegible] una religione [illegible] a quale [illegible] col [illegible] nelle [illegible] da domestici esempli, è il vantaggio delle razze aristocratiche nelle quali l'onore è ereditario. Noblesse oblige.
